What is happening in the 3/4 Classroom

Last term was an exciting time for our 3/4 students as they dove into their Olympic project presentations. Each student chose an Olympic sport to research, allowing them to explore the rich history and significance of the Olympics. They uncovered fascinating stories, from the origins of breakdancing to learning about Arisa Trew, Australia's youngest gold medalist. The presentations highlighted their creativity and demonstrated their research skills and presentation abilities.

In maths this term, we are tackling the challenging topic of fractions. The students have shown remarkable progress as they navigated this complex concept. We created our own fraction walls to visualize different fractions and explored equivalent and complementary fractions. Their hard work and enthusiasm have made learning this topic enjoyable, and it's rewarding to see their confidence grow as they master these skills.

In English, we are exploring Dreamtime stories, immersing ourselves in the rich tapestry of Aboriginal and Torres Strait Islander culture. The students have

been enthusiastic about learning new vocabulary and hearing a variety of fascinating tales that reflect the wisdom and traditions of Indigenous peoples. This exploration has deepened our understanding of their history and culture, fostering a greater appreciation for the diverse perspectives that enrich our community. It's been a wonderful journey of discovery, and we look forward to continuing this exploration in the coming term!

ULMARRA Public School

Assembly 24th October 2024

AWARDS

Kindergarten Awards

Congratulations:

David, Halle, Charlie and Oilver

1/2 Awards

Congratulations:

Alani, Monty, Harper, Josie, Teddy, Oceana,
Thomas and Coen

3/4 Awards

Congratulations:

Lucy, Jack, Will, Callie, Eleanor, Remy, Tyler and
Ashton

5/6 Awards

Congratulations:

Ridley, Ida, Alexander, Amelia, Zali, Mackenna,
Violet, Alexia, Charlie and Spencer

Casey, Violet, Baxter, William, Leon, Jack, Oceana,
Eden, Spencer, Olivia and Jameson

Special Principal Awards

Congratulations:

Jack, Violet, Eden and Oceana

Our next assembly will take place 7th November, 2024

ULMARRA

Public School

Congratulations to both Ella and Calum who competed at State level for Athletics this week. Ella competed in discus and placed 27th out of 40. Calum competed in the 800m and placed 32nd. This is an amazing accomplishment from both students.

Congratulations:
Spencer on receiving his Bronze Badge.

BOOK BANK BOOKS

The students in years 3-6 were excited to receive this terms Book Bank Books. Thanks to Dymocks, students select a brand new book each term. Students are encouraged to share their books with their classmates and take the books home to keep, at the end of every term. We are very grateful for the program and the support Dymocks provides to encourage the love of reading.

In the Computer Room I will:

Safe

- use the computers correctly
- move around sensibly
- think 'cybersafe'

Supportive

- help others
- be responsible for my log-in card
- sign-out at the end of each lesson
- return headphones to the correct position
- make sure laptops are plugged in to charge

Respectful

- make good choices
- return equipment to the right place
- ask before I print my work
- use an inside voice

Did you know?

Eating a healthy breakfast means your child will have enough energy to concentrate, learn and play.

Try these breakfast tips:

- Encourage your child to wake up with enough time to have breakfast every day.
- Aim to include some grains (cereal or toast), colour (fruit/veggies) and protein (e.g dairy, eggs, baked beans or nuts).
- Choose some convenient and healthy breakfast options that your child enjoys.

Healthy Eating
Active Living

Teaching Fundamental Movement Skills (FMS) in Primary Schools

Locations:

Tweed Heads South Public School
28 November, 3.45pm - 5.15pm

Lismore Heights Public School
2 December, 3.45pm - 5.15pm

FREE new Professional Development workshop for primary school teachers. Developed by DoE School Sport Unit in collaboration with NSW Ministry of Health.

Workshop focus

- Components of FMS
- When and how to teach FMS
- Curriculum resources
- Stage specific units of learning
- Assessing FMS

Presenter

Tracey Barnes, Executive Officer
North Coast School Sport Association
