JACARANDA SCHOOLS DAY

Congratulations to all the students from the Clarence Valley who participated at the Jacaranda Schools Day.

The day showcased the talent of all the students, with everyone pushing through their nerves to put on a fantastic performance. Well done!

POSITIVE BEHAVIOURS FOR LEARNING - PBL
OUR CORE VALUES ACROSS THE SCHOOL ARE TO
PROMOTE THE SCHOOL COMMUNITY TO **BE SAFE,**
SUPPORTIVE AND RESPECTFUL.

What is happening in the 1/2 Classroom

This term has begun with a “bounce” in Year 1 / 2! We proudly participated in the Jacaranda Schools display at Market Square by performing our basketball percussion item (and it was tricky to control those basketballs). Many of us then joined further Jacaranda festivities on Thursday and Saturday and enjoyed sharing our experiences with the class. Earlier in the term, 1 / 2 students were amazed at our first fete at UPS. A huge success with smiles all round. The Haunted House, organised by 3 / 4 was scary; yet many of us kept going back in! Monty, Thomas and Daisy were interviewed by the live radio station on site too. What was your favourite stall? We have been studying an information text on flowers and have learnt some awesome vocabulary like ‘variegated,’ ‘sepal,’ ‘filament’, and ‘pollinators’. Each student is focusing on completing tasks related to the success criteria discussed each lesson. Mathematics has involved multiplication and division and many of us have realised the link between these two operations. Mrs Lawson has taught 1 / 2 how to use

the platform CANVA. We have typed our work, added pictures from online sources, and added photos of ourselves showing emotions. How clever! Completing drills in Typing Tournament has also been beneficial for our typing skills. 1 / 2 would like to welcome the precious new additions to the Shawyer and Hall families. Babies are so special. Congratulations to both families. The remainder of the term will see us continuing to learn in our supportive environment, with encouragement from Mrs Lawson and Mrs D. Term 4 is always busy and we still have several outings to go. We cannot believe that 2024 has gone so fast!

Regards,
Mrs Lawson, Mrs D and students of 1/ 2

ULMARRA

Public School

Dear Ulmarra Public School Community,

We are thrilled to share some exciting news with you! Recently, Ulmarra Public School participated in the New South Wales Department of Education's External Validation process. This important evaluation allows schools to reflect on their practices and performance against the School Excellence Framework, which aims to ensure that all students receive a high-quality education.

During this rigorous process, our school was validated as excelling in 13 elements of the framework, with the 14th element recognised as sustaining and growing. This achievement reflects our commitment to continuous improvement and excellence in education.

Our lead panellist and peer principal had some wonderful feedback for us, stating, "You should be incredibly proud of your school and how far you've shifted the practices in the last few years. We could see the collective team effort and the way you go far above and beyond for your students and community." These words reinforce the dedication and passion that our staff demonstrate daily.

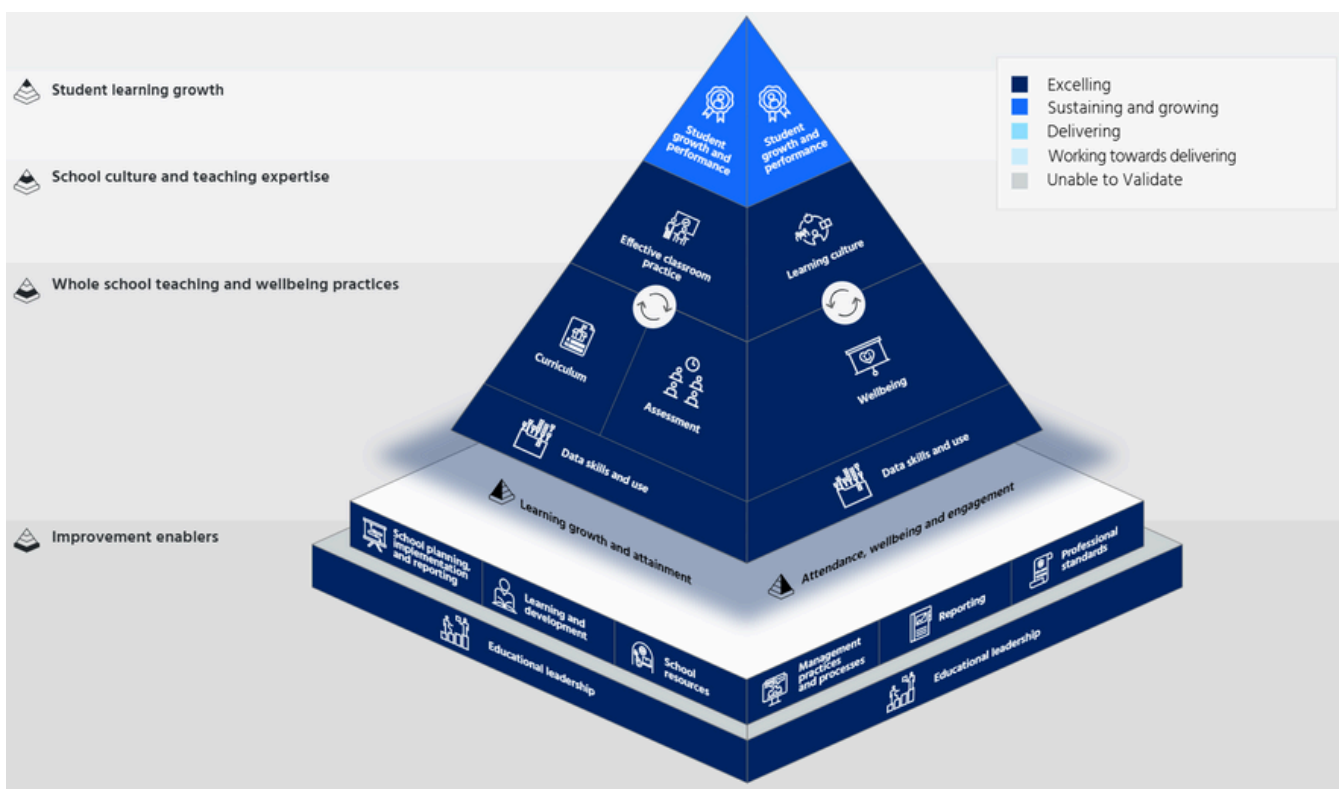

I would like to take this opportunity to extend my heartfelt thanks to all our staff for their hard work and contributions to the submission for external validation. Your commitment to our students and the broader community is truly commendable and has played a vital role in achieving these outstanding results.

As the Principal of Ulmarra Public School, I am incredibly proud of what we have accomplished together. These results are a testament to the amazing work we are doing, and I am excited about the future as we continue to strive for excellence in everything we do.

Thank you for your ongoing support as we work together to foster a positive and enriching learning environment for our students.

Warm regards,

Mrs Rhodes

Ulmarra Public School P&C

We would like to say a massive **THANK YOU** to the P&C for their recent donation of \$20,646.

This money was put towards:

- Footsteps Dance Program
- Pressure washing around the school
- Playground markings
- School gardens improvements
- Swim and Gym bus
- PSSA State Soccer

None of this would be possible without the hard work of our P&C members. Your time and support is appreciated!

thank you
