WE WILL REMEMBER ANZAC 2024

Thank you to our students and families for your support and participation in the recent ANZAC Day service. This is a time to remember the courage and bravery of the Australian and New Zealand soldiers who landed at Gallipoli along the Turkish coastline during World War I (WWI), 109 years ago.

Hello Ulmarra students and families. I am excited and feel very privileged to be able to join your wonderful community this term.

I thought I would introduce myself. My name is Kathy Broekman. My permanent position is as an Assistant Principal at Mullaway Primary School. I have been lucky over my career to experience many different roles. When I first moved to the coast I was a casual teacher working in many schools such as Sandy Beach, Woolgoolga, Corindi and Mullaway. I was the teacher/librarian at Mullaway for 9 years, classroom teacher on all Stages, Assistant Principal and Relieving Principal for the last 3 years. I was also the coordinator for the Woolgoolga Out of School Hours Care for 16 years. I was born and raised in Tamworth (no I don't really like country music) and moved to complete my teaching qualification at Armidale. I taught at Narrabri for 2 ½ years before I moved to the coast and have lived in the Woolgoolga area ever since. I have 2 adult children. My son Matthew lives in Perth and he is a builder. My daughter Lucinda lives in Newcastle and she is an exercise physiologist. We had many pets over the years however our favourites have been dogs and in

particular, Border Collies. I adopted a 2 ½ year old Border Collie on Australia Day this year. His name is Marshall.

Some of my hobbies are bush walking, photography, going to the gym, going to the movies, gardening, reading and going to festivals and concerts as I enjoy live music. I am looking forward to working within your community this term, getting to know you all and learning more about this beautiful area in which you live.

Come and say hi.

My door is always open, so please reach out if I can be of any assistance.
